

# WELCOME TO CALVARY

Thank you for worshipping with us this morning. We are honored that you have chosen Calvary. We are a loving family of believers that seeks to Know Christ, Grow in Christ, and Go for Christ. I am excited about this phase in the life of our Church, and even more excited that we might be able to share it with you. This is a Church where you can grow in your relationship with God, get connected with people in your same age and stage of life, and reach out to others around you. If you are a first-time guest, please fill out the visitor's form and turn it in during the offering, or give it to one of our ministers who will be at the exits as you leave. If you have a special prayer need or concern, please let us know so we might minister to you. I pray that God will bless
